**Harrisburg School District**  
**Internet and Information Systems Users**  
**Acceptable Use Policy**

**Purpose**

The Board of School District Directors recognizes the important role that computers and other forms of technology play in a student's education and in the pursuit of the District's educational goals. The Board, therefore, has authorized the Superintendent or his/her designee to make available computing and networked information resources such as the Internet, which may be used by District students, faculty and staff. These resources, however, are intended to be used solely for educational purposes and to carry out the legitimate business of the District. As well as the varied instructional needs, learning styles, abilities and developmental levels of students.

**Authority**

The use of these resources by the students, faculty and staff is considered a privilege which may be denied for inappropriate and/or illegal use as set forth in this and related policies. Furthermore, violations of the guidelines set forth by the District or other improper use of these resources may result in disciplinary action in accordance with established disciplinary action in accordance with established disciplinary procedures for students, faculty, and staff.

The Board expects all students, faculty and staff to be law-abiding citizens, to respect the rights of others, and to refrain from behavior which tends to impair the District's purpose or its reputation within the community. The framework for responsible, considerate and ethical behavior expected by the District, as set forth in policy and guidelines, covers the use of District microcomputers, workstations, computing laboratory facilities, general access timesharing systems, network and networked resources.

The electronic information available to and prepared by faculty and staff does not imply endorsement of the content by the District nor does the District guarantee the accuracy of information received on the Internet.

The District reserves the right to log network use and to monitor fileserver space utilization by all District users. Accordingly, system users possess no privacy expectation in the contents of their personal files on the District system. Specifically, routine maintenance and monitoring of the system may lead to discovery that the user has or is violating this or other policies of the District and/or the law of the United States of America or the Commonwealth of Pennsylvania.

Moreover, an individual search will be conducted if there is reasonable suspicion that a user has violated the law or the District's policies. Finally, District employees should be aware that their personal files may be discoverable under state public records law.

**Responsibility**

Use of the resources as well as any information obtained via the Internet is at the user's own risk. The District makes no warranties of any kind, either expressed or implied, that the functions or the services provided by or through the District system will be error-free or without defect. Specifically, the District **will not** be responsible for any damage users may suffer, including, but not limited to, loss of data or interruptions of services. The District also **will not** be responsible for accuracy or quality of information obtained through or stored on the system. Finally, the District **will not** be responsible for any financial obligations arising from the unauthorized use of the system.

The District shall make every effort to ensure that this educational resource is used responsibly by students, faculty and staff, including, but not limited to, taking every reasonable step to control access to material inappropriate to the educational mission of the District.

The Superintendent or his/her designee will have the responsibility, of developing administrative guidelines and forms governing use of the District network to include, but not limited to, (i) the establishment of "User Contracts" and/or individual accounts; (ii) procedures by which parents will be notified of the particulars of the District network and the policies governing its use;

### FIELD TRIPS

- ❖ Due to the nature of the theme-based learning, every child is required to participate in group projects and field trips.
- ❖ If you are unable to financially afford a particular trip, please send a note to your child's teacher **at least 48 hours prior** to the due date.
- ❖ At LEAST one fundraiser is held to help defray the cost of field trips. We HIGHLY encourage each child to participate in the fund raising activity.
- ❖ Accounts will be set up for your child- 50% of the profit of the fundraiser(s) will be placed into your child's account and the other 50% will help defray school activities- i.e. group project supplies, Student of the Month rewards and end of the year awards.
- ❖ Field trips must be paid in advance.
- ❖ Academic work will be given on each trip and this work will be graded and counted in each academic class.
- ❖ If your child is unable to attend a field trip, an alternate assignment will be given which will be graded.
- ❖ Since many trips last an entire school day, students will need to pack, purchase or receive a school lunch.
- ❖ If a student is suspended from school during the school year, their privileges for field trips will be limited to only academic/required field trips.

I have read and understand the fieldtrip policy for MMSA.

## Parental Consent Form – PG-13 Rated Movies

Dear Marshall Math Science Academy Parent(s) or Guardian(s):

Occasionally, the staff at our school reviews a movie or video which is rated PG-13, but is appropriate for the students to view as part of the curriculum or school theme. More than one teacher watches the movie or video and makes a recommendation to the rest of the teachers that the movie or video should be seen by the students.

This parental consent form will allow PG-13 movies to be seen by your child.

Please complete the information below.

### Team Building Trip to Local Park

I, the parent/guardian of the above named student, hereby give permission for my child, to participate on this trip.

I acknowledge that my son/daughter will be obliged to abide by the school based rules and the codes of conduct of Harrisburg School District.

By executing this Release and Parent Permission Slip and granting the permission stated herein, I, for myself, heirs, personal representatives and/or assigns, hereby release the Harrisburg School District and its respective officers, directors, agents, employees from and against any liability, damages, claims or causes of actions arising out of my child's participation in this activity, except as otherwise provided by law.

I also agree to indemnify and hold harmless Harrisburg School District from any claims, causes of action, or other judicial proceedings, costs, expenses, damages and liabilities, including attorneys' fees, brought solely as a result of my child's negligence, willful misconduct, and/or failure to adhere to the school based rules and the codes of conduct.

I have read this Release and Parent Permission Slip and understand its terms. I acknowledge that I am signing the Agreement voluntarily and with full knowledge of its significance.

**The students of Marshall Math Science Academy will begin the school year with a Field Day at a local park. The \$3.00 donation will help cover costs of the BBQ lunch.**

**The trip is planned for August 2<sup>nd</sup>, 2017 and the buses will leave school by 9:00 and return by 2:00.**

**Please wear your tie-dyed shirt to identify your team.**

Sincerely,

*The Teachers of MMSA*
